REVISION TO NOTICE TO NAVIGATION INTERESTS 04-07

SUBMERGED PIPELINE INSTALLATION

LITTLE KANAWHA RIVER, MILE 0.1

Reference to Notice to Navigation Interests 04-07, dated 09 January 2004.

Due to high water, the completion of the submerged pipeline installation has been delayed. It is anticipated that this work will be completed on or about 6 Aug 2004.

The M/V TOM COOK has been replaced by the M/V LADY LOIS.

All other information remains the same.

**For your convenience, the following is from Notice to Navigation Interests 03-65:**

Notice is given that on or about November 17<sup>th</sup> 2003, Madison Coal and Supply Co., Charleston, WV, contractor for the City of Parkersburg, WV, will begin installation of a 24" submerged pipeline crossing on the Little Kanawha River, mile 0.1.

The contractor's floating plant will consist of the M/V TOM COOK, one crane barge, and one material barge. The M/V TOM COOK will be monitoring marine channels 13 & 16. The work will be performed Monday – Saturday between the hours of 7:00 a.m. and 5:30 p.m., and it is anticipated that this work will be completed on or about December 1, 2003. During non-working hours, the contractor's floating plant will be moored at the worksite on the right descending bank, and lighted according to regulations.

Mariners are urged to transit at the slowest safe speed to minimize wake and proceed with caution.

ARLIE D. BISHOP  
Chief, Technical Support Branch
